1. Scope: All state governmental entities within the State of Idaho and public agencies (as defined by Idaho Code, Section 67-2327) are authorized to purchase products and services under the terms and conditions of the Minnesota price agreement. These public agencies include any city or political subdivision of the State of Idaho, including, but not limited to counties; school districts; highway districts; port authorities; instrumentalities of counties, cities, or any political subdivision created under the laws of the State of Idaho; and public schools and institutions of higher education. It will be the responsibility of the public agency to independently contract (i.e., issue purchase orders) with the contractor and/or comply with any other applicable provisions of Idaho Code governing public contracts.

2. Applicable Approved Purchasing Agreement: The following provisions supplement and/or add to the Master Price Agreement.

Parties to this Participating Addendum

The parties to this Participating Addendum (PA) are Hewlett Packard (Contractor) and the State of Idaho by and through its statutory agent, the Division of Purchasing within the Department of Administration (State) on behalf of the entities identified in the paragraph titled "Scope" of this Participating Addendum (procuring agencies).

Idaho Administration Reporting and Fees:

The contractor agrees to provide quarterly price agreement utilization reports to the Idaho administrator in accordance with the following schedule:

<u>Period End</u>	<u>Report Due</u>
June 30	July 31
September 30	October 31
December 31	January 31
March 31	April 30

The contractor will submit quarterly reports to the Idaho Administrator. These reports shall include the gross Idaho sales, less returns, cancellations, and replacements for the quarterly period subtotaled by procuring agency name within procuring agency state name. The report shall be accompanied with a check payable to the Treasurer, State of Idaho for an amount equal to 1.25% of the gross Idaho sales (less returns and credits) for the quarterly period. The State understands and agrees that Contractor will raise the negotiated Minnesota Price Agreement prices by this amount. This report will be provided 30 calendar days from the close of the calendar quarter.

Applicable Law:

Notwithstanding Paragraph 5 (Order of Precedence) of Minnesota Price Agreement No. A63309, Paragraph 32 (Governing Law) of Minnesota Price Agreement No. A63309 is supplemented with the following, which shall apply to this PA.

The State of Idaho's PA and all purchase orders issued thereunder by procuring agencies shall be construed in accordance with, and governed by the laws of the State of Idaho. Except to the extent the provisions of the PA are clearly inconsistent therewith, the PA shall also be governed by the applicable provisions of the Idaho Uniform Commercial Code (IUCC). To the extent this PA entails delivery or

performance of services, such services shall be deemed "goods" within the meaning of the IUCC, except where deeming such services as "goods" would result in a clearly unreasonable interpretation. Any action to enforce the provisions of this PA shall be brought in state district court in Ada County, Boise, Idaho. In the event any term of this PA is held to be invalid or unenforceable by a court, the remaining terms of this PA will remain in force.

3. Lease Agreements: A lease agreement has not been approved for use for procuring agencies within the State of Idaho.

4. This PA is not for major, large hardware or hardware and software offerings. Individual units/configurations cannot exceed \$50,000.00 each. It does not include LAN equipment and related software nor does it include **photocopiers, facsimile machines or** multifunctional equipment designed to include any combination of copying, printing, scanning, or faxing that is functionally equivalent to equipment available to State Agencies through the State of Idaho's existing Statewide Photocopier and/or Facsimile Contracts unless such equipment costs less than \$900.00, or is inkjet-based, or color capable.
